It is thought a blood vessel was ruptured, being in distress until the next morning, when he was killed to end his misery. A. A. Bliss and family went to Calais on Monday, where Misses Flora and Clara are to remain. Mr. Bliss is to return and remain for awhile at least, boarding at Preston Peake's. Death of A. C. Raymond.

In the death of Mr. A. C. Raymond, which occurred on Monday, the 11th inst., Stowe loses one of her most worthy and respected citizens. Mr. Raymond was born in Stowe February 11, 1812, and lived here during the greater part of his life. At the age of nearly 21 years he enlisted in Co. E, 13th Regt. Vt. Vols. as a private. He followed the fortunes of his company and was mustered out July 1, 1863, but again enlisted Feb. 5, 1864, as sergeant in Co. C, 17th Vt. While in service under the flag in this regiment he was three times promoted, to orderly sergeant in Dec., 1864; in March, '65, to first lieutenant, and June 26, '65, to captain, but for some reason his commission did not reach him in season, so he was mustered out of service at the close of the war as first lieutenant. During the siege of Petersburg he was wounded, and while at home on a furlough during the recovery from this wound, he was married to Fieilla Moody. On his return from the war he went to Iowa, where he lived until late in 1872, when his wife died, leaving three children. He then returned to Stowe and entered the store of Oakes & Cady at the lower village, where he remained until they sold out. He was again married Oct. 6, 1874, to Martha Smalley, who died April 16, 1882, leaving no children. In '74 or '75 he was engaged in the meat business in Stowe and followed it until the fall of '81.

At the March meeting of '82, he was elected as town clerk and held the position until his death Dec. 1, 1882. He was also a member of the Hitecock of Westfield, who, with one child survives him. In the fall of '86 he was elected as representative to the general assembly and served one term. He held the office of postmaster under Harrison's administration and has been appointed as aide de camp on the staff of the commander of the Vt. Dep't of the G. A. R., which position he was holding at the time of his death. Besides these he has held nearly all the town offices and has been twice elected as director of the Vermont Mutual Fire Insurance Co.

Mr. Raymond has faithfully performed the duties of every office to which he has been elected and justly merits the respect and esteem of every one of which he was accorded him by all. In the early spring he had an attack of sickness from the date of which he gradually failed. He visited several health resorts, but without success. He returned from Danville, N. Y., to Burlington where he had been a week and was brought home Nov. 5, when he died. His death came rapidly and he passed away.

The funeral service will be held in Unity church by Rev. Dr. Booth on Thursday at 1:30 p. m.

His song-leadership of Irish and Scotch songs and their writers have made him justly famous, and those who have the pleasure of listening to him are sure of a rich treat. The Quartet will be assisted by Mr. Irving L. Estey Whitman. Note the following taken from the Rochester Herald of Oct. 31, '95:—

"Irving L. Estey Whitman, violin virtuoso, proved himself an artist of rare ability. Mr. Whitman's first number, an adagio of his own composition, was rendered with great feeling and a marvelous tone. His second number, 'Oid Musins Mazourka' was played with great brilliancy and the cadenza at the end of the introduction, a down bow staccato of three octaves, which is regarded as a most difficult movement by violinists, was rendered with marvelous skill. Mr. Whitman's compositions gives him high rank among American composers."
